HYUNDAI NEW THINKING.
NEW POSSIBILITIES.

The Real Family Sedan
Xcent
Multiplies your life

The Hyundai Xcent makes
Xtra sense.

May-Jun 2015

Xtra Style

Modern, sporty and progressive styling represents the overall exterior theme of the Xcent. The bold front, sleek side and elegant rear profile is accentuated with wrap around lamps, a familiar chrome surround hexagonal grille, diamond cut alloy wheels and chrome door handles. Moreover, design elements like a steeply raked windshield and a rising belt line add to the dynamic character, multiplying its style manifold.

CHROME RADIATOR GRILLE & AIR DAM
Designed to multiply the features of the Xcent, the chrome grille complements the looks and projects a strong presence.

TURN INDICATOR
The aerodynamically sculpted outside mirror is ornamented with a turn indicator for enhanced looks and safety.

WAISTLINE MOULDING
This chic, distinctive looking side moulding imparts sporty looks and prevents scratches to the body.

FOG LAMPS
Designed for optimum amplification, the fog lamps ensure safe driving during foggy weather conditions.

R15 DIAMOND CUT ALLOY WHEELS
2-tone black and chrome finish diamond cut R15 alloy wheels impart a sporty and dynamic appeal.

MICRO ROOF ANTENNA
This small and efficient radio antenna is aesthetically pleasing and adds to the sleek looks of the Xcent.

CHROME DOOR HANDLE
The pull type chrome-coated door handle lends a premium look to the overall profile of the car, feels classy and easy to operate.

REAR CHROME GARNISH
The Rear Chrome Garnish not only highlights the rear profile of the car but also adds to the car's style quotient.

1st in segment

REAR AC VENT

The rear AC vent has been designed specially to enhance rear passenger comfort with instant cooling.

1st in segment

ELECTRICALLY FOLDABLE MIRROR

Electrically adjustable and foldable outside rear view mirrors offer you a great combination of comfort and convenience.

1st in segment

SMART KEY WITH PUSH BUTTON START/ STOP

Hi-tech and convenient smart key with push button enables start and stop of the car with just a touch.

1st in segment

2 DIN AUDIO WITH 1 GB INTERNAL MEMORY

Radio+CD+MP3 audio offers endless music experience and is equipped with bluetooth and 1 GB internal memory.

Bluetooth is a registered trademark of Bluetooth SIG.

Xtra Comfort

The interiors of the Xcent can be best described as premium, stylish and classy. The bright and airy cabin with its quality feel and carefully crafted materials sets the scene for many urban adventures. The ergonomically positioned controls, generous legroom and headroom, all defy the label of a traditional sedan.

STEERING MOUNTED CONTROLS

Multi-function leather wrapped steering with audio and bluetooth controls provide an uninterrupted music experience and connectivity.

DRIVER SEAT HEIGHT ADJUSTER

Conveniently adjusts seat for excellent driving position and comfortable driving experience.

FULLY AUTOMATED TEMPERATURE CONTROL (FATC) WITH CLUSTER IONIZER

The FATC maintains the desired cabin temperature for better comfort and the cluster ionizer offers cleaner air.

COOLED GLOVE BOX

It keeps your drinks or eatables cool and refreshing; a highly recommended feature in adverse climate conditions.

Xtra Space

The design of the Xcent multiplies its space to balance style with practicality. With its intelligent interior packaging, Xcent offers multiple storage options around the cabin. Add to that the best-in-class boot space and optimum seating arrangement for all passengers make it a true family sedan.

CENTER CONSOLE STORAGE

Ideal for storing small utility items and gadgets like i-pod or mobile phones while charging or playing.

GLOVE BOX

An enormous glove box stores everything from CDs, chargers to other utility items.

MAP POCKET

Aesthetically designed map pocket is useful for keeping essential papers and offers a built-in 1 litre bottle holder.

Best-in-class

BOOT SPACE

Best-in-class boot space to accommodate your weekend luggage and other things like shopping bags and picnic baskets etc.

FRONT SEATING

Ergonomically designed bucket type front seat is well contoured to provide sufficient thigh and back support.

REAR SEATING

Spacious and well cushioned rear seats with adjustable headrests offer ample thigh support and comfortable seating.

SEAT BACK POCKET

Seamlessly integrated seat back pocket is purposeful in stocking books or magazines to keep you indulged.

REAR CENTRE ARMREST

The armrest in the rear doubles up as a support and as a storage space for glasses and small knick knacks.

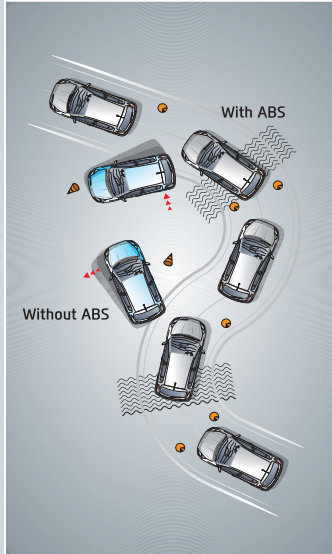

Xtra Safety

With Hyundai, safety is always first and the Xcent is no exception as it offers uncompromising safety for all its passengers. Be it passive safety like dual airbags, use of anti corrosive steel, special welding techniques to enhance body robustness, ring structure to enhance rigidity or active safety elements like ABS and reverse parking sensors with ECM display, all work to offer you 'xtra' safety.

DUAL AIRBAGS

The driver and passenger airbags ensure additional protection to the occupants in the event of a frontal impact.

ABS

The ABS System prevents skidding and retains the car's steerability on slippery surfaces. It also enables stable braking and restricts wheel lock-up during panic braking.

REAR PARKING ASSIST SYSTEM

Parking is now a breeze with the visually guided parking system in the Electro-Chromic Rearview Mirror where a camera helps you align the car in relation to other vehicles and the kerb.

IMPACT SENSING AUTO DOOR UNLOCK

In case of collision the doors get unlocked automatically to allow safe and quick exit.

REAR DEFOGGER

Removes mist on rear windshield during foggy or rainy weather conditions to ensure proper visibility of trailing traffic.

Xtra Economy

The Hyundai Xcent is conferred with an exciting blend of performance and efficiency - The 1.1 U2 diesel engine which is the newest member of the Hyundai diesel family and the highly acclaimed 1.2 Kappa Dual VTVT petrol engine. Both the engines are mated with 5 speed manual gear boxes while the 1.2 Kappa petrol engine also offers the option of a 4-speed automatic transmission.

2nd GEN U2 CRDi DIESEL ENGINE

The 2nd Generation Euro 5 ready, refined and advanced U2 CRDi Diesel Engine offers optimum performance, superior fuel economy and lower emissions to its valued customers. It operates at a high pressure of 1,800 bar and generates high torque at lower RPMs, thus resulting in lesser gearshift in city traffic conditions. The flat torque curve over a wide range of engine speed ensures a smooth ride with no jerks.

Mileage as certified by Test Agency under the Rule 115 of CMVR 1989 under standard test conditions.

1.2 KAPPA PETROL ENGINE

The 16V DOHC Kappa engine with dual VTVT (Variable Timing Valve Train) technology provides you the best of both worlds - superior mileage and optimum performance.

MANUAL TRANSMISSION

Both petrol and diesel variants of Xcent offer 5-speed manual transmission for smooth and accurate gearshifts.

AUTOMATIC TRANSMISSION

Driving in traffic is a breeze with the 4-speed automatic transmission available in petrol variants of the Xcent.

Xtra Convenience

Expect the unexpected from Hyundai when it comes to product features. Loads of segment unique and hi-tech features offer limitless comfort and make your journey an unforgettable experience.

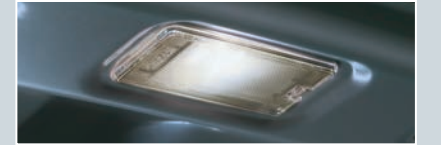

REAR PARCEL TRAY: This tray adds to your convenience by giving you more places to store books and small utility items.

FLOOR CONSOLE STORAGE: Enjoy water and beverages on the move with cup and 1 litre bottle holder on the floor console.

ELECTRO CHROMIC MIRROR: This mirror automatically senses and reduces light intrusion from vehicles following you, dramatically reducing glare.

LUGGAGE LAMP: This feature activates with the opening of the boot lid and enables proper lighting in the boot area to help locate/put objects in the dark.

POWER WINDOWS: The ergonomically located switches on the door armrest aid in easy operation of windows conveniently and comfortably.

FRONT/REAR ROOM LAMP: The front and rear room lamp illuminates the interiors of the sedan, making it easier to see things in the dark.

TILT STEERING: Allows the driver to adjust steering as per his/her convenience and makes it comfortable for drivers of all stature.
